2020 ONE PAGE FLYER TO OPT OUT

If you believe gender and sexuality discussions are family matters not to be mandated by Fairfax County Public School (FCPS) politics and external special interest groups, we are here to help you take control of your child's education and stop School Board policies that endanger all children!

Download our Parent Information Packet (PIP) at www.concernedparentsandeducators.org to obtain answers and to implement the Six Ways to Protect Your Children.

- (1) **LEARN ABOUT What is Happening in the Schools regarding Gender Identity** – It's all in the PIP.
- (2) **OPT OUT of All Lessons and Non-Consenting Situations involving Gender Identity** – Use a template provided to submit a letter to your school principal opting out of any lessons, materials, and non-consenting situations involving Gender Identity in the schools. It's in the PIP.
- (3) **OPT OUT of FLE (Sex Ed)** - which far exceeds State mandated instruction. It's in the PIP.
- (4) **OPT OUT of Youth (Sex) Survey** – The Youth Sex Survey is used by school bureaucrats to justify more age inappropriate material in curricula. It's in the PIP.
- (5) **DECLINE TO SIGN the Student Rights & Responsibility (SR&R) Form** - How can we sign when we don't know what the new rules mean for our children? It's in the PIP.
- (6) **Say No to Policy 1450 (i.e., Boys in Girls Bathrooms & Locker-rooms)** - and regulations & curricula. Write, call, and meet with School Board members (www.fcps.edu/school-board/school-board-members), Superintendent Brabrand (SSBrabrand@fcps.edu), and your School Principal to state your objections.

In addition, we encourage you to:

Attend the next FCSB Meetings, Sept 3 and Sept 17 at 7pm – at Luther Jackson Middle School or Online Video equivalent to ask for answers. (Please feel free to register to speak publicly to School Board with your concerns at FCPS.edu)
